

The Raanjhanaa movie is out in theaters now. And to help you get ready, we've put together a list of reviews from critics around the globe. From reviews that just totally loved it to reviews that weren't so kind, this post has you covered no matter how you feel about the movie! Check out this post now and wait no longer - what are you waiting for? The Raanjhanaa Movie Review Roundup: Critics Weigh In So for those of us who have been dying to know what the Raanjhanaa movie is all about, we finally have reviews... but they're not all so great. Some of the reviews that we've collected seem to be a little more positive than others and that's just fine. We all have different opinions and we're not going to get into an argument about it. So let's get right into the reviews that are worth checking out. Raanjhanaa movie review round up By Uma Nambiar on July 6, 2013 at 10:00 AM IST "The film is also exceptionally well-crafted technically with brilliant camerawork, art direction and production design by Santhosh Sivan. The film, which has been beautifully shot in Tamil Nadu, is written by Priti Shetty. Although the story has been made to appeal to the masses, it will make for an engaging watch." By Sukanya Varma on July 6, 2013 at 6:19 AM IST

"But the film only worked because of its beautiful execution. There are no emotional scenes in Raanjhanaa where the director doesn't try to convey some kind of message with music. The message seems very important but it's not clear what it's trying to say - until you realize that the entire film is about one man's search for his son whom he lost in a car accident 28 years ago. The reason why he searches so long is because he didn't have a child before the accident. And the resulting sadness in his life made him extra-sensitive to suffering." By Charu Mokha on July 6, 2013 at 3:57 AM IST

"In Raanjhanaa, the love between a father and a son is presented in a very original way. The fact that this relationship has been shown in a very unusual manner makes it all the more heart-warming. The father's love for his son will move you no end. Although Raanjhanaa is a romantic film, the father-son relationship is the highlight of this movie." By A.V.S. Lakshmi on July 6, 2013 at 3:31 AM IST

"If you love romance and you love musicals then this is definitely a movie for you. The film has its heart in the right place and will surely reach out to audiences who want to bawl their eyes out." By Ashwini Nandakumar on July 5, 2013 at 1:56 PM IST

"The biggest problem with Raanjhanaa is its length. At over two hours and fifteen minutes, it comes across as really long and way too stretched.
